

# BRUCE WAYNE

Amazing tag line that makes HR managers want to hire you immediately.  
The tag line is aligned with the bottom of the picture to the right, so if you have multiple lines it fills the space to your name from the bottom. You might want to introduce manual line breaks to make this look nicer then simply filling up the lines.

## WHEEL CHART

## ANOTHER SECTION

This page uses the page style highlightmain which shows the highlight bar (gray) and the main part (white background) but omits the header. The default page style is headerhighlightmain with all three elements. If you don't want header, nor highlight bar, use page style `\pagestyle{empty}`. Neither main, nor highlight bar must be filled to make this template work. It is possible to use a page style with the highlight bar but leave it empty by setting an empty highlightbar `\highlightbar{}`.

### Subsection 1

Demonstrate subsections.

### Subsection 2

Subsection are also bold face but a smaller font then section. They also omit the rule.

# PUBLICATIONS

---

Demonstrate what an `\pagestyle{empty}` page looks like. Also show off the macros for publications that uses small icons for authors, date, journal and links.

Achieving a good looking spacing can be tricky. For empty pagestyles where the full width is available use `\pubforcefullwidth` to force the publication list to take up all the available space. The (relative) lengths reserved for date, journal and links can be set with the parameters `\pubdatelength`, `\pubjournallength` and `\publinklength` as in `\setlength{\pubdatelength}{0.15\linewidth}`.
